

# **Website Privacy Statement**

## **Scope**

This statement applies to your interactions with the Australian Animal Studies Group website.

## **Privacy Statement**

Our aim is to provide an online environment which will ensure the information you provide to us is handled in a secure and confidential manner.

## **Collection of personal information**

When you email us:

- we will record your email address;
- we will only use your email address for the purpose for which you provided it;
- we will not use your email address for any other purpose;
- we will not disclose it without your consent; and
- it will not be added to a mailing list, unless provided by you specifically for that purpose.

When users choose to join our mailing list to receive bulletins or information, their details are added to that specific mailing list and reserved for dissemination for that purpose.

We may use electronic forms to gather personal information for purposes directly related to the Australian Animal Studies Group. This information will be used only as specified in the request documentation.

## **Links to other websites**

This site contains links to other websites. We are not responsible for the content or the privacy practices of other websites and we encourage you to examine each website's privacy policy.

## **Feedback**

If you have any questions about this Privacy Statement, the practices of this website, or your dealings with this website, please contact us via our Contact Us page.
